

Desert Spring Children's Center

Hours of Operation: 7:30am – 5:30pm

Below are monthly rates for the 2023-2024 school year. We revisit tuition rates yearly to insure that we can keep up with the changing costs of running a quality early childhood education program. We aim to balance reasonable prices for families with competitive pay and benefits for our staff. We also offer scholarships through Quality First that pay 60%-75% of tuition costs. Please email hypatia@desertspringschool.org for more information.
